

Frozen Tropical Fruits

**FROM
COSTA RICA
TO THE
WORLD**

THE BEST FRUIT OF THE WORLD

Compañía Frutera La Paz S.A is a Costa Rican-based company that engages in sourcing, processing and exporting IQF tropical fruits and root crops since 2005.

Where are we going?

Mission

To offer high quality products and to position the company as the partner of choice for customers and suppliers.

Vision

To be the No.1 Costa Rican export company in frozen fruits & root crops.

The support and passion of a real partner

We are blessed with the best conditions in the world for raising tropical fruits: geographic location, weather, temperature, sun, water, minerals, and local farming expertise. We understand how, when, and where you need the product; we'll be available 24/7 to make it happen.

What do we believe?

Our Business Principles are at the basis of our company's culture. If we agree in values, we will agree in business.

Quality

This is our business. We are committed to high quality standards in order to offer fresher and tastier tropical fruits, aligned with healthy lifestyle trends.

Mutuality

Our business is sustainable if we build long and lasting relations that mutually benefit our customers, employees, suppliers, community, and government.

Responsibility

Our success is based on our people. We treat each other with respect and dignity, and expect everyone to promote a sense of personal responsibility.

Efficiency

We encourage open communication. We make fast decisions. Innovations in technology and our dedicated team of talented individuals aid in operating our facility efficiently.

Food, Safety and Technology

IQF

La Paz works with the best technology to keep flavour, color, and nutrients intact in order to always offer premium, fresh, and reliable products to our clients.

New Technology

In its constant search for efficiency, La Paz invests every year an important part of its budget in testing instruments and in new equipment with innovative features and advantages.

Certifications

BRC, Kosher, HACCP, ECO, NOP-USA Organic certified, Carbon-Neutral, Achievement Award in workplace conditions assessment.
